

KNOWING JESUS AS THE WATER OF LIFE

JOHN 7:25-46

I. Jesus can be the water of life because He comes from the source (John 7:25-29).

- **Why did the crowd have a hard time understanding that Jesus came from God?**
- **Why do we have a hard time understanding that Jesus really came from God?**

**II. Competing
leaders do not want
Jesus to be the
water of life
(v.30-32).**

- **Why did many put their trust in Jesus?**
- **Why wouldn't the religious leaders allow the people to follow Jesus?**

III. The way to the water of life is a spiritual journey (v.33-36).

- **What kept most of the people in that crowd from following Jesus?**
- **What prevents many of us from finding and following Jesus?**

IV. The goal of Jesus is for the water of life to flow out from all of us (v.37-39).

- **Why is it so important for us to be thirsty?**
- **How can we better allow His Spirit to fill our innermost being?**
- **How can we allow His Spirit to flow out from us?**

V. People are in two camps by their response to the water of life (v.40-46).

- **What were the motivations for those who rejected the water of life?**
- **What were the motivators for those who came to the water of life?**

**Call to Action: To
live close to Christ
so His Spirit can
flow out from us.**

- What has been hindering you from coming to the source of living water?
- What are you thirsty for?
- What changes need to take place in your life so the Spirit can flow freely from you?
- Are you willing to set aside any hindrances?

-How can we help?
