hosted a preacher
(Acts 18:1-4).

- How can the hosting of capable teachers bless the church?

II. When his message was rejected by the Jews, Paul went to Gentiles (v.5-6).

- How would Jewish hosts be affected when their guest went to the Gentiles?

**III. Their boarder left
them to more effectively
persuade a neighbor
(v.7).**

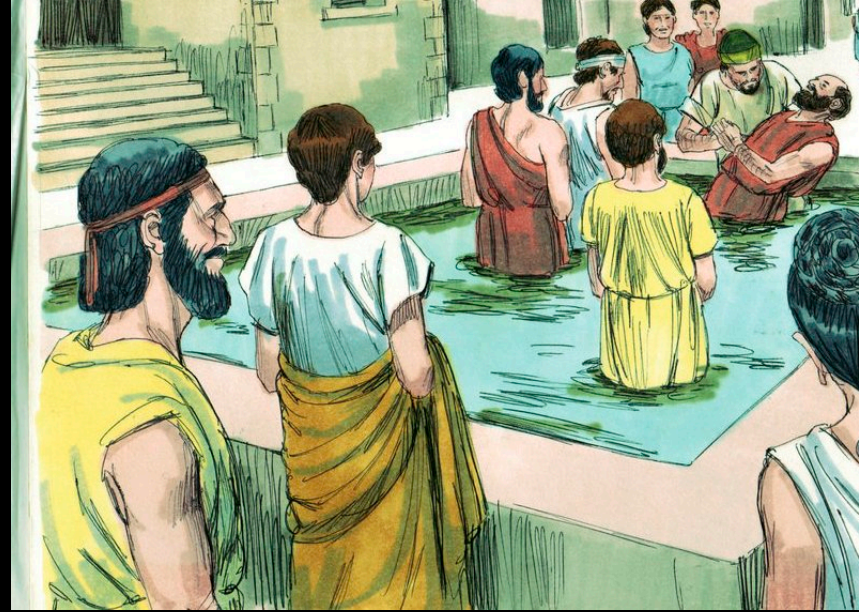

- **What should we do when our guests believe they can serve better elsewhere?**
- **Why is it important that there is no competition between lighthouses?**

**IV. Titius Justus hosted
a guest who could teach
his neighbor (v.7).**

- **What can we do when we can't get through to our friend or neighbor?**
- **Who can help you to better reach those who are closest to you?**

V. Justus' neighbor and his whole household were brought to Christ (v.8).

- How did a new home and an established home help produce this harvest?
- How can our homes be used by God to spread His message in our communities?

Call to Action: To use our homes to spread the message of Christ.

- How can we use our homes to work with those with whom we have common interests?

- How can we rejoice with others who are using their homes to bless their neighbors?
- Who is being blessed by your home?

-How can we help?
