

THEY ATE TOGETHER

ACTS 2:46

I. Early Christians ate their meals together in their homes (Acts 2:46).

- How could this practice be a blessing to the host families?
- What blessings do you remember from large and small family meals together?
- What blessings can come to our homes by way of eating our meals together?

II. Many of the events in the life of Jesus involved eating together (Matthew 11:10).

- How does the example of Jesus display the importance of eating together?
- How does our example of eating alone rob us and others of this blessing?
- How can our example of eating together become a blessing in our homes?

III. God designed the kingdom of God with shared feasting (Luke 13:29; 14:15).

- What reasons would God have to mention feasting together in His kingdom?
- What spiritual blessings come with eating together?
- How can our mealtimes here equip us for feasting in the kingdom of God?

IV. Our eating together should glorify God (I Corinthians 10:31).

- What can we do to help our eating and drinking better glorify God?
- If the kingdom of God is not eating and drinking (Rom. 14:17), where is our focus?
- What changes and preparations will help us glorify God as we eat?

Call to Action: To purposely glorify God in our homes as we eat.

- What changes do you want to take place in your mealtimes?
- How does a focus on others enrich your feasting?
- Are you being prepared for feasting in the kingdom of God?
- How can you better glorify God during mealtimes in your home?

-How can we help?
