

DEVELOPING A TASTE FOR GOD

PSALM 34

**I. We need to develop
the habit of praising God
at all times
(Psalm 34:1-7).**

- How does my complaining affect the way my day unfolds?
- How does the habit of praise enrich my days?
- What aspects of God should we be boasting about?

II. Taste and see that the LORD is good, then earnestly seek Him (v.8-10).

- **What will help us to savor the goodness of God?**
- **How does God provide for those who fear Him?**

III. We need to teach children the fear of the LORD (v.11-14).

- **What are you doing this week to help children to be more amazed by God?**
- **How do our words and our actions help or hurt this endeavor?**

IV. We want to be close to God (v.15-18).

- **What is wrong with our choices when we don't want God to be close to us?**
- **How will a desire to be close to God affect our behavior and our choices?**

V. We can know that God protects His people (v.19-22).

- How can we be sure that God always delivers His people from all our troubles?
- How does our redemption assure us of God's protection?

**Call to Action: To grow in
our excitement and in
our desire to be close to
God.**

- Are you so excited about God that you continually praise Him?
- What will help you develop a 'taste' for God?
- How are we helping children get excited about God?
- What are you doing so that you will be closer to God?

-How can we help?
