

COME OVER INTO MACEDONIA AND HELP US

ACTS 16:6-15

**I. Sometimes, the Spirit prevents you from going where you want to go
(Acts 16:6-7).**

- Does it mean something is wrong with you when your plans change?
- When God leads us away from where we wanted to go, how should we react?

II. God has ways of letting us know where we have been called (v.8-9).

- How did God let Paul know where He wanted him to go?
- How does God let us know where He wants us to go?

III. As soon as we have been called, our task is to go (v.10-12).

- **What is wrong when we procrastinate going where God is leading us?**
- **How can we be more urgent in following where God is leading us?**

IV. Places of prayer are great locations for ministry (v.13).

- What benefits come when we go to places of prayer?
- How is prayer helping you to share the gospel message?

**V. God provides
fruit for our labor
(v.14-15).**

- How did God provide fruit for the labors of Paul and Silas?
- How does the gospel message transform the lives of those who hear?
- What are we doing this week to spread this transforming message?

Call to Action: To prayerfully
send and carry the message
of Jesus wherever God leads
us.

- How should we respond when God changes our plans?
- Are there things that you know God wants you to do but you have procrastinated?
- How is prayer helping you in your outreach?
- What are you doing to help others spread the life changing message of JESUS?
- How are you going to share it?

-How can we help?
