

# INITIATING A REVOLUTION

**JOHN 12:27-36**

I. Jesus declared that His dying would draw all men to Him **(John 12:27-36)**.

- Why is it important that the cross did more than atone for our sins?
- What is our role in the cross drawing all men to Christ?

## II. The prophecies of Daniel predicted a revolution (Daniel 2:44-45).

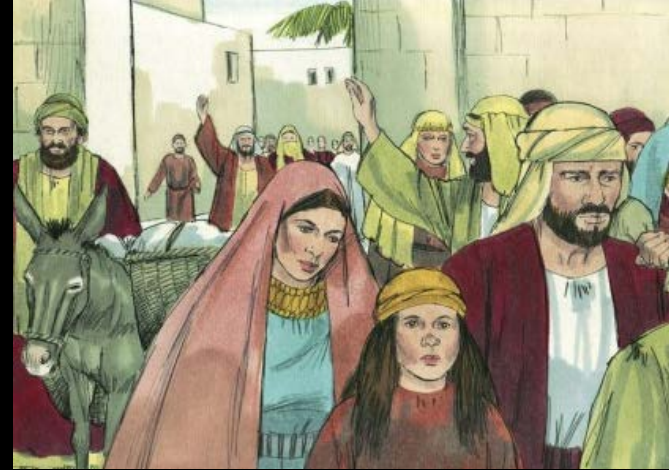

- What can we know about the kingdom that would fill the earth (v.35)?
- What does this passage tell us about the revolutionary nature of the Kingdom?

# III. The prophecies of Isaiah predicted a revolution (Isaiah 2:1-5).

- How does the priority of this prophecy apply to earthly revolution?
- How will our 'walking in the light of the LORD' help the word to go out?

## IV. The early church practiced the lifestyle of revolution (Acts 8:1-4).

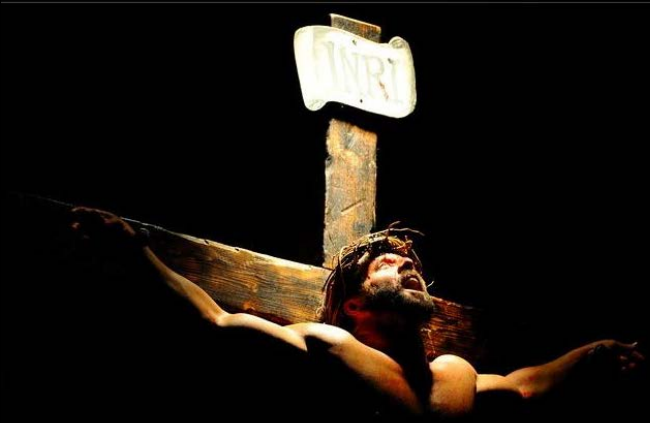

- How did persecuted and displaced Christians carry out the revolution?
- When we see the revolutionary nature of our ministry, how will our lives change?

**V. The gates of hell will  
not hold against this  
revolution  
(Matthew 16:13-19).**

- Why should we believe that the gates are being attacked instead of attacking?
- Will we be those who believe our King is worth it?  
(Cody's reading of "You Are Worth It – Part 2" by Mattie Montgomery)

**"Jesus,  
You are worth it."**

**Call to Action: To live  
and love in ways that  
help accomplish Christ's  
revolution.**

- How is the revolution the reason for the cross?
- What is God's plan to draw all men to Jesus?
- What is your role in the spreading of the kingdom?
- How will our example help accomplish God's goal?
- How does your life declare that the cross was and is still 'worth it?'
