

STOP FOLLOWING THE PRINCE OF THE AIR

EPHESIANS 2:1-10

I. We used to follow the prince of the power of the air (Ephesians 2:1-3).

- How was your life when you followed the prince of the air?
- What happens when we choose to live among those who follow him?
- Why is it important to know that Satan is only a prince of the air?

II. But the love of Christ made us alive (v.4-5).

- What is the significance of moving from the past to the present tense?
- What are the blessings of being made 'alive together?'

III. He raised us up to be with Him to show the world His grace (v.6-7).

- **How does our rising with Christ change our morality?**
- **Why expend effort showing His grace instead of focusing on our weaknesses?**

IV. He saved us by grace so we would not boast (v.8-9).

- **What is wrong with boasting about how bad we were before our conversion?**
- **What is wrong with boasting about how far we have come?**

**V. He made us to do
good works (v.10).**

- **What is the purpose for which God has remade us?**
- **How are you fulfilling God's purpose for you?**

Call to Action: To revel
in our life with Christ
instead of destructive
disobedience.

Call to Action: To revel in our life with Christ instead of in destructive disobedience.

- How can others tell that you are not following the prince of the powers of the air?
- How are we letting God's grace change our environment?
- How much of our time is focused on Christ?
- What good works does God want to do through you this week?

-How can we help?
