

# JUSTIFICATION FOR MORALITY

**II SAMUEL 11**

# I. We have a hard time finding sin in David's life before Bathsheba (**II Samuel 11:1-15**).

- How did the years of faithful obedience protect David from sin?
- How do our years of faithful obedience protect us from sin?
- What do we need to do when we have sinned (**12:13**).

## II. We have a hard time finding sin in his children before Bathsheba (12:7-14).

- What sins do we know of in their lives before David sinned with Bathsheba?
- What sins do we know of after that time?
- Why don't our years of godly living carry the same weight as our sin?

**III. After years of righteousness you have no permission to sin (Numbers 32:23).**

- What message did Moses share with the 2 ½ tribes east of the Jordan?
- Because he is primarily dealing with sins of omission, what is our task?
- How can we protect the next generation from sins of omission?

# IV. Christians have the responsibility of example

**(I Corinthians 11:1).**

- How can this passage encourage morality in our lives?
- What would have to happen for you to make this statement with confidence?
- How will life be different when you can?

# **Call to Action: To purposely choose to be a continuing godly example.**

- What do children learn when they watch us?
- Why don't years of good provide permission for sin?
- If we can be forgiven, why do we need to stay moral?
- What should you do when your sin finds you?
- How is your resolve to be an example for God?

**-How can we help?**
