

# OUR BODY IS FOR THE LORD

**I CORINTHIANS 6:12-20**

**I. Because the body is for the Lord, we should choose no other master (I Corinthians 6:12-13).**

- How is Paul using their own words to teach them?
- What will protect you from being mastered?

**II. Because we will be raised from death, we should be morally pure (v.14).**

- **How should the coming resurrection motivate us toward purity?**
- **How strongly do you believe in a coming resurrection?**

**III. Because our body is  
for the Lord, we should  
give it to no one else  
(v.15-17).**

- **How completely joined to Christ are you?**
- **How does your bond with Christ protect you from immorality?**
- **What will help you to be truly one with Christ in spirit?**

# IV. Because some sins are so bad, we need to run from them (v.18).

- Of all the sins in scripture, why run from this one?
- What will make it easier for you to run from fornication?

**V. Because our body is  
God's temple, we honor  
God with our bodies  
(v.19-20).**

- How should the presence of God motivate our behavior?
- How should our purchase by God motivate our behavior?

**Call to Action:** To behave  
in ways that show that  
our body belongs to God.

- Can others see that Jesus is your master?
- How does the return of Christ motivate you?
- How does our bond with Christ protect us from fornication?
- When is it time to run from temptation?
- How morally pure is your temple?

**-How can we help?**
