

# A CONTAGIOUS FAITH

**II TIMOTHY 1:4-5; 3:14-15**

I. Timothy was infected with the contagious faith of his family (2 Tim. 1:5).

- How can grandmothers and mothers pass on their faith?
- How well are we infecting others with our faith?

## II. The faith Timothy learned was an emotional faith (1:4).

- Why is it important that our faith is also emotional (Galatians 5:6)?
- What will help us to love in ways we should love?
- How can we help others to love in ways they should love?

### III. The faith Timothy possessed was a growing faith (3:14).

- Where all had Timothy learned his faith?
- How well are we continuing in the things we have learned?

# IV. Timothy's faith was supported by a lifetime in the scriptures (3:15).

- How diligently are we gaining saving wisdom from scripture?
- What are we doing to encourage others to gain wisdom from scripture?

**V. We are called to appreciate and pass on a contagious faith (2:2).**

- **What are our responsibilities with the contagious faith we have received?**
- **How can we better infect others with our saving faith?**

# **Call to Action: To be diligent in receiving and then sharing a contagious faith.**

- Are we intentionally passing on our faith?
- How is our faith mingled with love?
- How contagious is our faith?
- How are we continuing to feed our faith?
- With whom are we going to intentionally share our faith?

**-How can we help?**
