

# RESTORE US, O LORD

PSALM 80:19

RESTORE US, O LORD GOD ALMIGHTY;  
MAKE YOUR FACE SHINE UPON US,  
THAT WE MAY BE SAVED.

## PSALM 80

I. Restore us to a close relationship with you, O God  
(Psalm 80:1-3).

- How close was God to Ephraim, Benjamin and Manasseh? (Numbers 10:21-24)
- What is our plea when we aren't as close to God as we long to be?

## II. Restore us from our tears to your presence (v.4-7).

- What is our plea when we have been feeding on tears?
- How would your life be if you knew that God's face was shining on you?

### III. Restore us to a time of growth and glory (v.8-11).

- In what sense are we a vine that God carried out of Egypt?
- What has God done to make us flourish?
- Since God has done that, what is our hope and prayer?

## IV. Restore us to be the Son You want us to be (v.12-15).

- What is our plea when God allows His people to be vulnerable to attack?
- How does a gardener look at his vine or a Father to His Son?

## V. Restore us because You are LORD God Almighty (v.16-19).

- What does restoring us have to do with God resting His hand on Jesus?
- How does revival by God motivate prayer?
- How strongly do we believe in “the LORD God Almighty?”

# **Call to Action: To diligently and faithfully pray for the LORD God to restore us.**

- What were the times in your life when you remember being very close to God?
- What were the occasions when you were feeding on tears?
- How do past glories in the body of Christ motivate you?
- What is your plea when others attack us?
- How are you seeing God resting His hand on His beloved Son?
