

THE LORD IS IN HIS HOLY TEMPLE

EXODUS 25-27

**I. God told His people to build a place where He could dwell among them
(Exodus 25:8-9).**

- **Why is the release from slavery not enough for Israel -or for us?**
- **How should we be affected by knowing that God wants to dwell with His people?**

II. God began His instructions with the very place where He dwells (25:10-22).

- **What was the significance of the ark of the covenant for Israel?**
- **What can you do to make your heart a more hospitable place for God to dwell?**

III. Fellowship with God is the second part of God's instructions (25:23-30).

- What was the significance of the table of showbread for Israel and for us?
- What can we do this week to more fully and regularly commune with God?

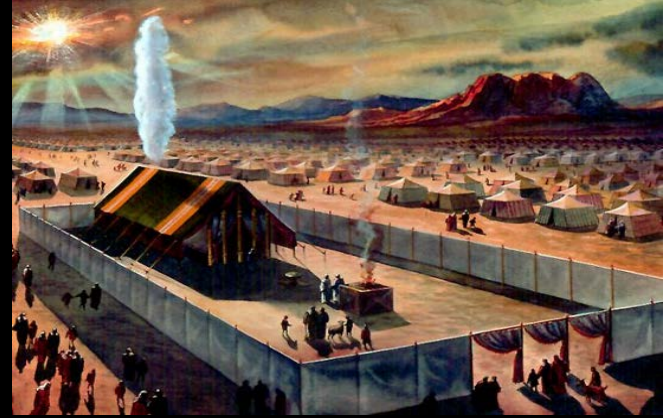

IV. The light source of the temple is next on God's instructions (25:31-40).

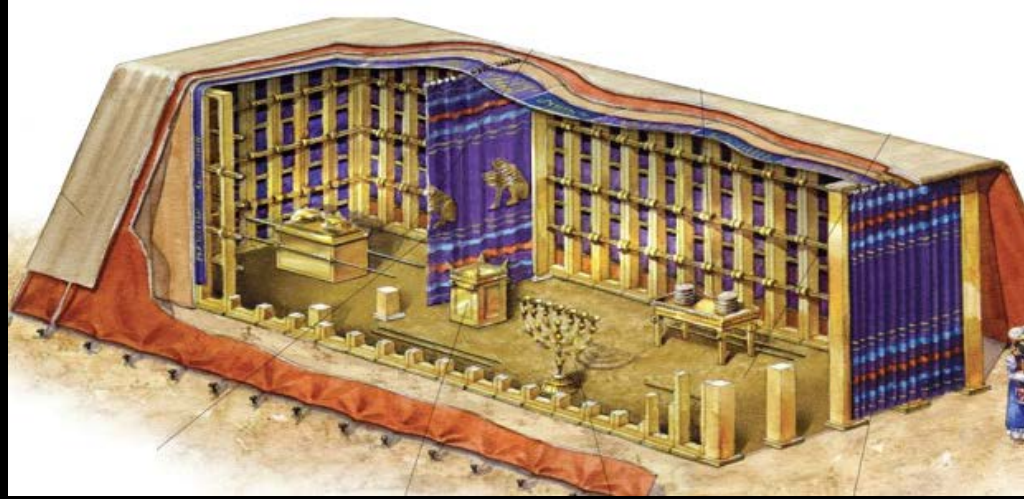

- Why is it so important for us to be enlightened by God's light source?
- How has your behavior declared the level of your belief in God's light?
- What are you doing so that God's light is blessing your daily life?

**V. There was a
tabernacle and there was
a wall around it (26-27).**

- **Since God can live everywhere on earth,
why even have a tabernacle?**
- **What is accomplished by a low, cloth
wall around the tabernacle?**

Call to Action: To purposely be the best tabernacle of God you can be.

- Why is it so important to be so close to God?
- What will we do this week so our hearts will be closer to God?
- How important is His table? (I Cor. 10:16, 21)
- How is His word daily giving light your life?
- Are you living as God's tabernacle so that others want to 'look over the curtain?'

-How can we help?
