

# EVIL IS JUDGED BY NINEVEH AND SHEBA

**MATTHEW 12:38-45**

# I. An evil generation asks for a miraculous sign (Matthew 12:38-39).

- What is so wrong about asking for a miraculous sign?
- What should we be doing instead of asking for a sign?

**II. Jesus declared that  
Jonah was in a huge fish for  
three days (12:39-40).**

- **Why do people find it so hard to believe the miracles in scripture?**
- **How does the character of Jesus help convince you of this miracle?**

**III. The people of Nineveh condemn those who reject the message of God (v.41).**

- What do we need to learn from the urgency and repentance of the men of Nineveh?
- In what sense do we all reject the word of God?
- What can we do to more urgently and completely follow the word of God?

# IV. The queen of Sheba condemns those who reject the wisdom of God (v.42).

- How did the wisdom and glory of God in Solomon affect the Queen of Sheba?
- How does the wisdom and glory of God in Jesus affect your heart and actions?
- What changes can help us be more strongly affected by the glory of God in Christ?

V. Unless evil is replaced with good it will multiply  
(Matthew 12:43-45).

- Why is simply getting rid of evil not a complete solution for us?
- What kinds of things do you need to be filling the days of your life with?

**Call to Action: Let the message and glory of Christ fill your day with purpose.**

- Why is walking by faith better than asking for signs?
- Do Jesus' words convince you about Jonah?
- How can you better allow the message of God to transform your life?
- How can you better allow the glory of Christ to transform your life?
- How is God filling your life with His nature?

**-How can we help?**
